Table 1 Notes:

- ▶ Rates above are nominal rates. Virginia Tax's assessment/sales ratio study estimates effective real estate tax rates by controlling for the variance in assessment procedures across localities. The Tangible Personal Property, Machinery and Tools, and Merchants' Capital rates above are general rates. Certain items of property, including vehicles, may be considered separate classifications and may be taxed at a different tax rate.
- ▶ Localities may not levy these taxes on 100% of the assessed value.
- ▶ Localities may offer tax credits not included in the above rates.
- ▶ The data in this table is reported as certified by local Commissioners of the Revenue and Assessing Officials.
- ▶ Town rates are reported separately. See Table 3 for details.

*Additional district levies may apply. See Table 4 for details.

^The counties of Accomack, King William, and Westmoreland have two distinct sets of county tax rates, differentiated by these specified town jurisdictions. Additionally, separate Town taxes are listed in Table 3.
