How to Complete LPC-1, Schedule A. (Allocation Schedule and Calculation of Fee)

Lines not mentioned below are self-explanatory.

This Schedule should be used by multiple donors (including married spouses when both are on the deed) and pass-through entities to report the details of their credit allocations.

A pass-through entity may appoint a Tax Matters Representative whom the Tax Commissioner may consult with regarding credits that have been allocated or transferred. This representative may be a general partner, a member, a manager or a shareholder. If a Tax Matters Representative has been appointed, check the “yes” box and enter the representative’s name and phone number in the appropriate boxes.

- If you are a pass-through entity (such as an S Corporation), provide the information requested for each person or pass through entity receiving a credit. A separate Schedule A must be completed for each additional entity receiving a credit.
- Attach additional pages, if needed.
- For a donation made on or before December 31, 2006, complete Section I (if applicable) and II.
- For a donation made on or after January 1, 2007, complete Sections I (if applicable), II and III. Please note multiple owners who are listed separately on the deed do not owe a fee.
- If the allocation is to more than 15 persons/entities, we recommend submitting a CD or disc. Please call 804-786-2992 for the required spreadsheet format.

Section III – Calculation of Fee

General Information

This section must be completed for an allocation made by a pass-through of a credit which derived from a donation made on or after January 1, 2007.

A 2% fee of the appraised value of the donated interest shall be imposed on all transfers arising from the sale of credits and on all pass-through allocations. Because the statute relates the 2% fee to the donated interest and the credit is 40% of that figure, when calculating the fee at the credit level it equates to 5% of the credit

amount being transferred or allocated. An example of the calculation is as follows:

Scenario Presented in Va. Code § 58.1-513

\$10,000 (donated interest being transferred/allocated)
x .02 (fee multiplier imposed by statute)
\$200 (fee dollars collected by statute)

Calculation of Credit Value

\$10,000 (donated interest being transferred/allocated)
x .40 (credit multiplier imposed by statute)
\$4,000 (credit value of the donated interest)

If \$200 is the amount of fee collected at the donated interest level, what percentage of the credit value generates the same fee amount?

Same scenario based on credit value

\$4,000 (x) = \$200
x = \$200/\$4000
x = .05 or 5%

For donations recorded from January 1, 2007 - June 30, 2010, the fee is capped at \$10,000 per credit holder per donation. **For donations recorded on or after July 1, 2010, the cap has been removed.** If you are transferring/allocating credits derived from more than one donation, you must file a separate LPC-1, Schedule A for the credits derived from each donation and your fees may exceed \$10,000. This fee does not apply to transfers/allocations made in 2007 and beyond on donations made prior to January 1, 2007.

TAX recommends that you pay with a certified check or money order. Personal checks may delay the processing of your transfers/allocations.
